ESSER
INTERNATIONAL WHOLESAL SUPPLIER

**The bridge between
Turkish products and
international customers**

Who we are?

“Esser International – the bridge between Turkish products and international customers”.

Esser Gıda Sağlık Ürünleri San. Tic. Ltd. Sti. (Esser International) is a privately owned company operating in Istanbul city, Türkiye. Esser International is one of the emerging companies in providing Turkish products to international customers.

From the early days of establishment, Esser International has aimed to become a reliable and high-capacity supplier of various products for an international customers.

Throughout those years of doing export business, we have established and developed many stable and long-term business partnerships with many international companies in our core valued products. Esser International has a resource of Turkish high-quality products, which deliver demanding requirements of customers for both product quality and excellent customer service.

Esser International is structured to provide total support through teamwork and innovative supply chain management. We also continuously improve ourselves to adapt to the changes of business activities. Each division has committed workforce with necessary multi-disciplinary skills and experience to understand and satisfy customer’s requirements and even create added values for our customers.

For export business, we have strongly committed to our statement “Esser International – the bridge between Turkish products and international customers”. This statement is the leading way to our vision
